

Euromantique

2014 A/W collection vol.41

Western European Time (Greenwich Time), by Great Britain, Belgium and Holland.

Middle European Time, (the Solar Time of 15° East of Greenwich or one hour faster than Greenwich Time), by Norway, Sweden, Denmark, Austria-Hungary, Luxembourg, Poland, Italy, Bosnia, Serbia and part of Turkey in Europe.

Eastern Europe (the Solar Time of 30° East of Greenwich or two hours faster than Greenwich Time), is adopted in Russia, Rumania, Greece and some of the capitals of the Balkans. In Serbia and Montenegro, the standard time is also one hour faster than the standard time. In the Balkans, the standard time is also one hour faster than the standard time.
